

University of Iowa Department of Theatre Arts Non-Mainstage Audio/Video Inventory

Standard Equipment in Theatre B:

QLAB iMac
MOTU
4 JBL loudspeakers
Allen & Heath ML4000 Sound Board

Additional Equipment Procedures:

Additional sound or video equipment must be checked out through the Sound Studio Assistant. Use of additional equipment is based on availability and discretion of the Sound Studio Assistant. All plans beyond using standard equipment must be discussed with and approved by the Audio Supervisor at least one week prior to load in.

Any equipment used onstage or in the house must be struck each evening and locked up in the booth.

After tech rehearsals and performances, all additional sound and video equipment used in the production must be returned in an arrangement with the Sound Studio Assistant.
