**Bulk Operations**

This is how to use Bulk Operations to manage student enrollment by course. Bulk Operations include Drop, Move, Change Hours, and Notify.

1) After searching for a course, click `view` for the desired section.

2) Select `Registration` from the drop down list.
3) Click **Bulk Operations**.

4) You will receive the following screen, with these options:
   - Drop
   - Move
   - Change Hours
   - Notify
