

Johnson Co. Landmark Jazz Orchestra Concert!

Iowa's top jazz orchestra, Johnson County Landmark, is performing this Thursday November 3rd in the Riverside Recital Hall on Riverside Drive near Park. (Formerly St. Thomas More Catholic Church.) The concert is free and open to the public, with recital attendance available to enrolled students.

For those of you coming to this hall for the first time, there is ample parking available in the Hancher lot and the Levitt Center just below Riverside Drive. There are steps leading up the hill to the church. Some patrons may choose to drop off passengers at the front entrance and then park.

Our program will include recently published orchestrations of Radiohead compositions. The band is on fire this year with many splendid soloists; we hope you can join us!
