GENERAL AUDITIONS, what to Prepare: A 3-minute time period is allotted for each general audition. Please prepare 1-2 monologues. Total audition time must not exceed 3 minutes. You will be timed and asked to stop if this time limit is exceeded. This year if you are interested in being cast in *A Midsummer Night's Dream*, one of your monologues should be from Shakespeare. The monologues should remain under 3 minutes. We are hoping these procedures will help keep appointments on schedule for everyone.

For additional information, please contact the Theatre Arts Production Stage Manager, Melissa Turner at Melissa-Turner@uiowa.edu.
