

# What are Space Categories?

When you view all spaces, you may notice a listing of 'Space Categories' along the left-hand side of the page:

## Space Directory

- All Spaces
- Site Spaces
- Personal Spaces
- Archived Spaces

---

SPACE CATEGORIES

- Aiga
- Confluence
- Cmas
- Debate
- Design
- Documentation
- Faculty
- Fall\_2009
- Fall\_2011
- Fellow
- Iowa
- Protocols
- Regional
- Research

### Site Spaces

Space	Description
 059:006 Engineering Problem Solving II FAQ	
 165:197:002 Wntr11 International Development: India	
 2010 RWJF Nurse Faculty Scholars	2010 RWJF Nurse Faculty Scholars
 3JPW Nursing Resource Wiki	
 4CAST Forums Login	
 676:130:EXW CT Physical Principles and QC	
 Arts Management	Open to anyone interested in Arts Management and Arts Entrepreneurship.
 Biocalc	
 Business Statistics	
 Center for Student Involvement & Leadership	

The space categories are set by space administrators individually to 'tag' their space with relevant labels. This is more similar to a tag cloud of spaces rather than a strict category listing. Chances are your space will not be included within a category.

## Managing Space Categories

To add or edit space categories, you must be a space administrator.

Select **Space Tools > Overview** and select **Edit** next to the Space Categories listing
