Adding a Lecture and Discussion Section with Preferred Relationship

Preferred Relationship - the student selects both the desired lecture and discussion section. The credit hours may be posted to the either the lecture or the discussion section.

To create the Lecture section(s)

After searching for a course (See Searching for a Course - Planner), click New: Click here to add a new section.

Complete the necessary fields on the Create Section page.

Basic Information

Will default to session selected on previous page.

Will default to Stand-alone section type. Select Lecture from drop down list.

Select either Yes or No.

If Yes oval is selected, the Override Start Date and Override End Date fields will display.

Enter the appropriate Override dates either manually or by utilizing the calendar pop-up option.

Enter three digits, then tab, and a zero (0) will automatically be inserted before the three digits.

Should be Academic Unit Course for preferred relationship lecture.
Select appropriate registration status.
Enter section subtitle, if applicable.

Select section restriction, if applicable.
Enter number or check the **Unlimited** box.

**Academic Unit Course**
