Adding a Lecture and Discussion Section with Mandatory Relationship

Mandatory Relationship - the student selects the desired discussion section and they are automatically registered for the lecture that is related to the chosen discussion. The credit hours will be posted to the discussion section.

To create the Lecture section(s)

After searching for a course (See Searching for a Course - Planner), click New: Click here to add a new section.

Complete the necessary fields on the Create Section page.

Basic Information

Will default to session selected on previous page.

Will default to Stand-alone section type. Select Lecture from drop down list.

Select either Yes or No.

*If Yes oval is selected, the Override Start Date and Override End Date fields will display.

Enter three digits, then tab, and a zero (0) will automatically be inserted before the three digits.

Should be Academic Unit Course for mandatory relationship lecture.

Select appropriate registration status.
Enter section subtitle, if applicable.

Select section restriction, if applicable.

Enter number or check the **Unlimited** box.
