Adding a Lecture and Discussion Section with Mandatory Relationship

**Mandatory Relationship** - the student selects the desired discussion section and they are automatically registered for the lecture that is related to the chosen discussion. The credit hours will be posted to the discussion section.

**To create the Lecture section(s)**

After searching for a course (See Searching for a Course - Planner), click **New: Click here to add a new section**.

Complete the necessary fields on the **Create Section** page.

**Basic Information**

Will default to session selected on previous page.

Will default to **Stand-alone** section type. Select **Lecture** from drop down list.

Select either **Yes** or **No**.

*If **Yes** oval is selected, the **Override Start Date** and **Override End Date** fields will display.*

Enter the appropriate **Override** dates either manually or by utilizing the calendar pop-up option.

Enter three digits, then tab, and a zero (0) will automatically be inserted before the three digits.

Should be Academic Unit Course for mandatory relationship lecture.

Select appropriate registration status.
Enter section subtitle, if applicable.

Select section restriction, if applicable.

Enter number or check the Unlimited box.

Select appropriate credit hours from drop down list, click Add.

If applicable, enter the appropriate number of hours.
If applicable, enter the appropriate number of hours.

If applicable, select the appropriate Delivery Tool(s) from drop down list, click Add.

Once you have completed the page, click Save.
You will received the following confirmation screen.

Click to go to the panel. On this panel, you will update the following fields:

- Building Preferences - see Building Preference for more information
- Media Preferences - see Media Preference for more information
- Room Preferences - see Room Preference for more information
- Textbooks - see Textbooks & Resources prior to October 2017 for more information
- Course and/or Section descriptions

»If more than one lecture is to be offered, repeat the above instructions to create the necessary lecture sections.
